Federal Credit Union

SUMMER 2024

NEWS

NEW AND IMPROVED!

In late April of 2024, Marquette Community Federal Credit Union switched to a new home banking platform and updated to a new mobile app. Both offer updated security and new features for our members to take advantage of.

Our staff received training on the new programs prior to the launch so that they would be ready and able to assist our members with any questions that they had in regards to the new system.

Our home banking site has an updated look that allows members to choose which specific sub accounts they want to see right away. It allows for transfers between their various accounts, including loans and Visa. It allows for members to view their statements and transaction history, and they can search for a specific transaction as well. We have also changed our BillPay over to a new company, which has allowed additional payees to be selected.

Our mobile app offers many of the same features as the home banking website. Members with personal accounts may also take advantage of our mobile deposit feature to deposit checks directly from their mobile device!

As with every new program launch, there are always bumps in the road, and our launch was no exception. Our staff has been working diligently with our partner companies to get things corrected and updated.

We want to give a HUGE THANK YOU to our staff for their work with this transition. We also want to thank our members for their patience during the transition!

EXCITING UPDATES COMING SUMMER 2024!

We will be getting *NEW ATM MACHINES* at both branches at the end of July! This will cause there to be a time frame where the ATM at each branch will be unavailable.

STAFF SPOTLIGHT

Ben

Ben is a teller at our Marquette Branch. He has been a Yooper transplant since 2018, and before that he lived in the Chicagoland area.

Ben is a proud NMU alum, and an enthusiastic sports fan. An avid outdoorsman, it drove him to go for his Eagle Scout.

Cole started off at the credit union in 2024. He is originally from Wisconsin and came to Marquette to attend NMU. He recently graduated with a bachelor's degree in finance.

Cole has a black lab named Norman. In his free time, he enjoys lifting, hiking and other outdoor activities.

Cole

Join us for our annual **MEMBER PICNIC** on Friday August 23., 2024 in the parking lot of our Marquette location on Washington Street! Join us for lunch from 11am to 2pm!
